

Are you looking for an exciting adventure?

Do you want to experience an outdoor classroom?

Is so, then 5<sup>th</sup> grade is looking for you!!

Sky Ranch is a three day program designed to develop student awareness and knowledge of their living and non-living environment. Through this outdoor experience, they will learn how to preserve and protect their natural environment. It is a wonderful time for your child to gain hands on experience with earth and life sciences.

Our Sky Ranch trip is scheduled for April 29-May 1. We will be leaving around 8:00 a.m. on Wednesday and returning before 3:00 p.m. on Friday. Without your help, we are unable to make this annual journey. We need moms **AND** dads to volunteer! The cost for each chaperone is \$215.00 and will be due on the same deadlines as the students. Chaperones may choose to ride the zipline for an additional \$6.00.

Please sign and return the bottom part of this letter with your \$50.00 deposit by Friday, October 9<sup>th</sup> if you are able to join us on this exhilarating journey.

Yes, I would love to help chaperone the annual 5<sup>th</sup> grade trip to Sky Ranch!
